

**DELAWARE
COASTAL ZONE ACT
PERMIT**

NUMBER: 374

ISSUED TO: Peninsula Composting Company

TO PERMIT: The establishment of a composting facility which will process up to 160,000 tons per year of clean source separated food materials, yard waste and untreated wood products.

SITE LOCATION: 601 Christiana Avenue, Wilmington, Delaware

Conditions Incorporated and Made Part of this Permit:

1. This permit is conditional upon the Permittee's compliance with all other applicable permit requirements, regulations and laws of the State of Delaware.
2. Issuance of this permit does not relieve the Permittee of the legal obligation of complying with all building permits, subdivision and other applicable code requirements of the county or municipality wherein the permitted project is located.
3. If there are significant deviations from the plan and operations approved by the Secretary, the Permittee shall notify the Secretary as soon as possible. This permit may be revoked and a new permit application required if the Secretary deems the deviation to substantially change the nature of scale of the project and to be of actually or probably harm to the purposes of the Coastal Zone Act.
4. This Coastal Zone Act Permit is conditioned upon the implementation of the applicant's Offset Proposal as outlined in the application and the public hearing record. Should there be any delay in implementing the Offset Proposal, the Secretary shall consider the causes and may grant a one-time extension for full implementation. After such time, if the offset proposal is not fully implemented, the Secretary may void this Permit.
